

# DAKWAME J. STEWART

Producer • Writer • Creator • Actor

## PROFESSIONAL PROFILE

Producer, writer, creator and actor with experience spanning military leadership, aviation maintenance, sports media, digital media, acting and graduate-level producing. Combines disciplined production planning, creative development, communication and problem-solving, with an understanding of production from both the producer and performer perspectives.

## ENTERTAINMENT & MEDIA EXPERIENCE

### Assistant Producer — Joe Budden Network | 2020–2021

Supported digital-media production and producer workflows, including preparation, coordination and execution of content. Worked in a fast-moving creative environment requiring organization, communication and responsiveness to changing production priorities.

### Producer Assistant — NFL Network | 2019–2020

Supported producer and production needs within sports media, assisting with coordination and day-to-day production workflow while developing experience with the pace, preparation and collaboration required for professional sports programming.

### Producer Internship Program — ESPN | 2018–2019

Participated in a producer-focused internship program with exposure to sports-media production, editorial preparation, production workflow and team collaboration. Developed an understanding of how producers organize information and support content from preparation through presentation.

### Background Actor / Film Extra | 2020–Present

Worked as a background performer/extra on ten film productions since 2020. On-set experience strengthened understanding of set operations, performer communication, continuity, timing, professionalism and the relationship between production decisions and performance.

## ADDITIONAL PROFESSIONAL EXPERIENCE

### Airline Mechanic / Aviation Industry | 2019–Present

Seven years of aviation-industry experience beginning in 2019 in a safety-critical environment requiring technical precision, procedural compliance, teamwork, time management, accountability and attention to detail. This experience reinforces a producing approach centered on preparation, risk awareness and reliable execution.

### United States Army — Military Service | 2014–Present

Twelve years of military service beginning in 2014. Developed leadership, discipline, accountability, adaptability, teamwork and the ability to perform in demanding environments. Military experience informs a producing style built around clear communication, preparation and shared objectives.

## EDUCATION

### Master's Degree — Producing and Innovation | New York Film Academy | 2026

Graduate study in creative development, producing essentials, line producing and production accounting, pitching, research methodologies, entertainment law, business affairs, marketing and finance, collaboration, television development, curation, entrepreneurship and portfolio development.

### Bachelor's Degree — Psychology | University at Buffalo | 2014

Training in human behavior, motivation, communication and research applicable to character development, leadership, collaboration and audience-focused storytelling.

### Associate Degree — Business Administration | Hudson Valley Community College | 2012

Foundation in business principles, organization, management and administration supporting the operational and entrepreneurial responsibilities of producing.
